

EMI's Economic Development Rider Schedule ED-3:

DESCRIPTION

An incentive rate program designed to induce new and existing customers to add new or incremental load.

APPLICABILITY

- New & existing industrial customers whose **SIC codes are between 2000 and 3999, or 4222** (Refrigerated Warehousing and Storage) or **7370** (Data Centers)
 - **Billed under C, HLF, ALGS or new Large Power Rate Schedules**
 - **Maintain an average load factor of 40%**
-

CREDIT/TERM

- **Net monthly Incentive Credit** of \$0.01 per kWh for all eligible kWh
 - Eligible kWh for new customers are all kWh, when monthly kWh is greater than 200,000 kwh
 - Eligible kWh for existing customers are all kWh in excess of base month's kWh when current month's kWh is equal to or greater than the sum of the base month's kWh plus 200,000
 - Incentive Credit not applicable during any month Customer's load factor is less than 40%. (Load factor is based on Customer's Demand, i.e., billing demand and billing kWh for that month.)
 - **60 month contract term**
 - Eligibility period *begins* **January 30, 2015**
-

PROCESS

- ① **Complete Attachment A**
Application to Receive Service Under ED-3 Rider
 - ✓ Statement supporting ED-3 is a key factor of load growth
 - ✓ Estimate of new capital investment
 - ✓ Total of current and new full time employees
 - ✓ Estimate of monthly kWh usage for the next twelve months
 - ✓ Record the previous 12 month actual kWh usage – establishes Base Month's usage
- ② **Complete new Agreement For Service**
- ③ **Submit both documents for Approval**
- ④ **ED-3 Rider will become effective the next billing month following approval**
